We hope many people will come to the Opening Service on 25th September but for those that can't make that day the Coffee Morning will be our chance to show what we have achieved so far with the restoration of the Church. Please get all your friends to come and support us.

Decorating the Church for Harvest will take place on Friday 30th September all the produce, preserves and flowers you can spare will be welcome. ALSO your help on Friday 30th Sept from 10.00am. If you can only manage later please let Pauline know so she can allocate an area for you.

Jo will be organising the harvest Supper so will be calling on people to help with the preparation for that.

“Raise The Roof“ Restoration Appeal for All Saints Rampton. Work is finished on thatching the roof. The South West wall is completed. The covering over the scaffolding is now down and we can now see the beautiful golden thatch. Scaffolding is also coming down.

We still need to raise loads of money to complete the south west window and to make the path passable for all not just intrepid explorers. So do lots of thinking for new ideas to meet that goal.

Speak to Kylie, Ben Tregenna or Mike Hastings. Look on the Village Website for recent pictures of the west wall down to its foundations.
